Curriculum

The academic curriculum is a safe but immersive curriculum, designed with childhood development (physical, cognitive, and emotional) concepts at the core. Our curriculum is based largely in the American Ballet Theater (ABT) National Training Curriculum. Their curriculum combines child psychology, child physiology, and dance education into a comprehensive and complete dance education curriculum. With a solid curriculum in place, we rely on staff and faculty to engage your child as an individual who will develop in his/her own time. A large majority of our staff are ABT Phase I certified instructors and recently participated in Phase II training. Our faculty look forward to completing the curriculum and obtaining Phase III certification soon!

Pre-Ballet Division

As your young child grows, 3-6 year olds can enroll in the Pre-Ballet Division, a graduated creative movement program. Creative movement combines skill development and self-expression. All classes require the student to be the age of the class level by August 1st of the academic year the student is enrolling.

**Uniform Men:** Black Tights, white or black athletic fit T shirt, bare feet

Examinations
Our syllabus is structured with a balance of honoring the traditions of classical dance, meeting the needs of the developing child, and providing a safe space for blossoming artists to grow. An examination process establishes a clear and concise assessment of our faculty and student progress with the syllabus over the course of the academic year. Yearly examinations are held to ensure the excellence of each teacher’s class/level. Examinations are held for Ballet V, VI and Pre Pro. We will begin a voluntary examination process for American Ballet Theatre’s National Training curriculum this year for lower levels as well.

Transfer Student Placement
Depending on experience students usually take a placement class and afterwards, Faculty make recommendations on their placement within the curriculum. Academy Faculty will continue to watch students’ development and adjust their placement if needed.

Open Division
Open Adult/Teen Ballet -
The goal of the Open Adult/Teen program is to expose adults to ballet as an art form, all while learning control and toning of the body. Performance Opportunities
Performances serve a variety of functions in our organization. Performing is a showcase for skills, talents, and accomplishments of local artists. In Academy-related productions, performing should be a continuation of the educational process.

End of Year Performance
Students are eligible for participation in an end of the year Academy Showcase. **Dancers' accounts must be at a ZERO Balance by May 1st in order to participate in the End of Year Performance.** This performance highlights the material they learned during the year and introduces them to the performance experience. It is a voluntary experience and students are not penalized if they are unable to participate. Students participating in the Showcase must adhere to the following requirements:

- Students' account must be current. This means that their account must be at a zero balance by May 1st in order to participate in the Academy Showcase.
- Students in the Pre-Ballet program who have more than four (4) unexcused absences are ineligible to participate in the Academy Showcase. (Make up classes will cancel out a missed class.)
- Students in Ballet I and above who have more than two (2) unexcused absences are ineligible to participate in the Academy Showcase. This is 2 absences for their ballet level and 2 absences per alternative dance class. (Make up classes will cancel out a missed class.) Please speak with our Academy Administrator for make up opportunities.
- Students participating in the Academy Showcases girls will wear pink tights (for girls) and the color leotard appropriate for their level with a class skirt or a tutu. Boys will wear their classroom dress code.

The Nutcracker
Fort Wayne Ballet presents 14 performances of *The Nutcracker* every season for our community. With two casts and about 170 roles (including understudies), it is a Herculean task to mount the production with professional quality. Families will find the audition date for *The Nutcracker* on the Academy Schedule and information will come separately about this opportunity.

- **Pre-Professional Levels and Youth Company:** No audition required, automatically cast.
- **Ballet Levels IIa-VI:** Audition required, roles cast based on ability, technical mastery, and casting needs.
- **Roles for small children:** These roles are costume size & often hair length dependent. For those families who have children in Creative II or Ballet I: if you are interested in your child participating please watch for the informational letter to come out late August and keep the day of the audition open for your family. Casting is non-negotiable.
Rules & Expectations

Registration
A $40.00 registration fee is required to register a student in the Auer Academy classes. Additional children of the same immediate family pay $15.00. As we do have a limit on class sizes, this registration fee will hold their spot in their class(es). ALL boy students pay $50.00 registration fee regardless of the number of children enrolled per family.

These registration fees include a ticket voucher or discount code for one (1) student ticket to a performance during the academic year.

Classroom Etiquette
Students are expected to be courteous and attentive in class. They will be asked to leave if they become too disruptive. Negative behavior is not tolerated, though faculty will partner with parents to understand and to obtain positive behavior.

Attendance:
1. Students must check in at the front desk when arriving for classes.
2. **LATE POLICY:** It is essential that students come to class on time. Lack of proper warm-up at the beginning of class can cause injury. **Students more than ten (10) minutes late to class will be asked to sit and observe.** This prevents unnecessary absences.
3. Fort Wayne Ballet cannot be responsible for the safety of students leaving the building with or without parental permission.
4. Students are encouraged to make up all classes missed. Missed classes may be made up within the current academic year.
5. **Excessive absenteeism (excused or unexcused) may lead to exclusion from performances or Company at the discretion of the Academy Principal or Artistic Director.**

Excused Absences:
An excused absence is one the student does NOT need to make up in order to participate in the End of Year Showcase. Excused absences include:
1. Death of a family member.
2. Hospitalization of dancer.
4. Dancer has a fever or the flu.
5. Mandatory school obligation.
Rules & Expectations Continued

Class Make-up Policy:
Pre-ballet/Ballet classes: Students can attend a different class in their level or below to make up a ballet class. For example, a Ballet III student can take another Ballet III class or a Ballet IIIB class to make up an absence.
Ballet students in level V and above may also make up classes during the Garrett-Keyser-Butler class which is held 8:00 – 9:10 a.m. Monday through Friday. These make up classes must be coordinated with the registrar or academy administrator prior to the student attending the class.

Alternative Dance Classes:
1. Students can make up an alternative dance class by taking a lower level class in the same discipline. (Ex. Taking Tap I to make up a Tap II absence).
2. Students can take an extra ballet technique class to make up an alternative class. Ballet classes can always make up an alternative dance class.
3. Students in introductory alternative classes can also observe a higher level class of the same alternative class.
